TABLET

NoteCart Simple Tablet

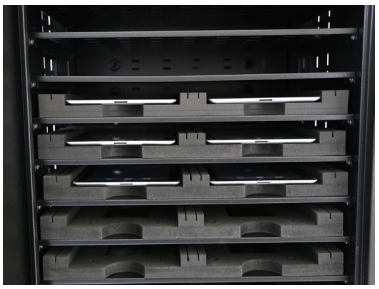
NoteCart Simple with room for 24 Tablets

NoteCart Simple Tablet 24 stores, charges and transports 24 tablets.

NoteCart Simple Tablet is a cart created and efficient to store and charge tablets. The cart is plain in design and comes with fixed shelves. The Tablets are to be placed horizontally with two tablets per each shelf.

Power supply units are stored separately, in a compartment accessed from the rear of the cart. Integrated control of the power panel protects the cart against power surges and the fuse overloaded.

NoteCart Simple Tablets offers possibilities for purchasing additional functions according to one's needs. Please see the information sheet "Options for NoteCart Simple Tablet". Available options include e.g. NoteSecure - for theft protection, foam inserts and timer control of the power panel.



Foam inserts as shown in the pictures are optional.
